SUMMARY

As a Final-year Software Engineering student at Ho Chi Minh City University of Technology and Education, I possess a solid foundation in Web development. I am proficient in building responsive interfaces with ReactJS (JS/TS) and developing Back-end services using Java Spring Boot. I am seeking an Internship position to apply my academic project experience to real-world software solutions.

EDUCATION

Ho Chi Minh City University of Technology and Education

- Major: Software Engineering
 - Duration: Sep 2022 – Present (Expected Graduation: 2026)
 - GPA: 3.38/4.0
-
